

### **Welcome to the City Council meeting!**

The elected officials of the City of Bonners Ferry are appreciative of an involved constituency. Testimony from the public is encouraged concerning issues when addressed under the Public Hearing portion of the agenda. Any individual who wishes may address the council on any issue, whether on the agenda or not, during the Public Comments period. Normal business will preclude public participation during the business portion of the meeting with the discretion left to the Mayor and Council. Special accommodations to see, hear, or participate in the public meeting should be made at City Hall within two days of the public meeting.

### **Vision Statement**

Bonnors Ferry, "The Friendliest City", strives to achieve balanced growth, builds on community strengths, respects natural resources, promotes excellence in Government, and values quality of life.

Kris

Here is my proposal for an additional day off for Independence Day.

I would like to have a special council meeting whenever it's convenient for the rest of the council to discuss giving the city employees the 3rd of July off so they could have a 4 day weekend for Independence Day. As per usual if an employee has to work that day it is regular time not overtime and they can take a day off later to make up for working that day.

Thanks  
Rick
