Subject: Meter Reader Vehicle

With this memo, I am requesting that the City Council allow the purchase of a vehicle for meter reading. We have located a vehicle on the federal surplus list that should work well for that purpose. I have attached some pictures of the 2010 Ford Escape with 76,847 miles that is being offered at \$7,475.

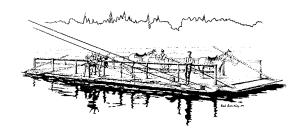

Thank you,

Mike

Hi Kris & Dave,

This is the current information and forms needed to obtain a guote from III-A.

I talked with Amy Manning this morning.

Thanks Darrell

**To:** Darrell Kerby <a href="mailto:dkerby@pace-kerby.com">dkerby@pace-kerby.com</a> **Subject:** III-A Information--City of Bonners Ferry

Darrel,

I appreciate the opportunity to send you information about the III-A!

Below is the information regarding securing rates from the III-A and I've attached the forms that you need.

If you are interested in having me provide rates, I will need the following:

- Your employees to complete the attached Large Employer Application Form.
- I need the attached Census Form-Medical completed. You may use your own format for the census as long as it contains the information included on the III-A Census Form
- Once all of these documents are done, you should email me and I will send a secure encrypted email for you to attach the forms and return to me. You may also fax them to: 208-575-6423. I will have rates in 7 to 10 days after receiving the documents.

After reviewing the forms and creating rates, the Trustees will determine at that point if they will extend membership to your agency. If they choose to extend membership, then I will release rates to you.

It's important to note that completing the information and submitting it to me does not make you a III-A member. Once you receive rates and if your city council adopts the Joint Powers Agreement and Participation Agreement, then you would become a member of the III-A. The III-A hired Blue Cross of Idaho to serve as our Third Party Administrator (TPA). Members of the III-a use the BCI network.

I have attached information for you to review which includes the 6 III-A Standard Plans, the III-A Standard Vision and III-A Standard Dental Charts.

A few extra benefits that members of the III-A enjoy:

- a 2.8% medical rate increase for Plan Year 2017-18
- 3.2% medical rate increase for Plan Year 2016-2017
- a -1% medical rate decrease for Plan Year 2015-2017
- a -10% dental and vision rate decrease for Plan Year 2017-18

- a 0% dental and vision rate increase for the previous five years
- an 8 visit/incident/year EAP benefit (counseling services)
- a Wellness Program including a Blue Cross of Idaho Health Coach
- annual onsite flu shots and wellness blood screenings
- benefits of being self funded and building reserves in the pool
- a \$15,000 life insurance policy for all covered employees
- membership in a large pool that's able to negotiate benefits for its members

Please let me know if you have any additional questions and that you received this email.

Thank you! Amy
