# MEMO

CITY OF BONNERS FERRY  
CITY ADMINISTRATOR

---

Date: 1 August 2014  
To: City Council  
From: Stephen Boorman, City Administrator  
Subject: Moyie Logging.

We have previously identified a number of trees to be removed in the Moyie Area. They are around the Moyie Substation and the road down to the power plant. The wind storm on 23 July blew down a large number of trees on the reservoir property.

At this time the gate at the picnic area is locked and the road through the reservoir property is blocked with trees. I estimate there are between 5 and 15 loads of logs to be removed, including an estimated two loads of cedar. It is time sensitive to do this work as this road is heavily used during the summer and if the timber isn't sent to the mill quickly it will likely be removed by firewooders.

I have contacted a number of the smaller logging contractors for a price to do this work. I hope to have prices by the council meeting.

22-May-14

The City of Bonners Ferry has an opening for a Water/Sewer Superintendent. The City desires to find an applicant that can provide leadership for a dedicated knowledgeable department. The City's water system is responsible for all aspects of providing potable water from the source, through the rapid sand filtration to the customer's point of service. Likewise the sewer system encompasses the entire process from collections, lift stations and a lagoon treatment plant. The applicant must have experience and knowledge of water and wastewater systems. Advanced licenses and specialized training for water and wastewater is desirable but not required. The applicant must also have or be able to obtain a Class A (CDL) Idaho drivers license, must pass a job-related pre-employment physical examination and drug-screening test. The successful applicant will be expected to do on-going studying and training and obtain Water and Wastewater Certifications.

The City of Bonners Ferry is a small full service municipality serving approximately 2,500 citizens. The city operations include a street and parks department, planning and zoning, and a significant number of City owned structures. The City Water and Sewer Departments serve approximately 1,400 connections in and around the town of Bonners Ferry in North Idaho. This position offers a competitive benefits package including retirement and family medical insurance. Wages are dependent upon qualifications.

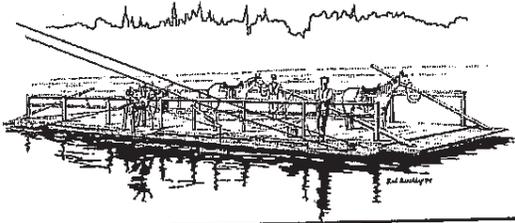

Interested persons should apply with The Idaho Department of Labor, Job Service, and submit a letter of application, resume, and references to:
