# Memo

**To:** Mayor and City Council  
**From:** John Youngwirth, Street Department Supervisor  
**Date:** 10/16/2014  
**RE:** State Auction

---

Previously, Council authorized the expenditure of up to \$12,000 each for two dump trucks (total of \$24,000) at the State Auction in Pocatello. I attended the auction and purchased one six-wheel dump truck for \$7,000 and paid \$1,200 for shipping it to Bonners Ferry.

Another State Auction is being held and on the list of items is a thermal lay patching truck. This piece of equipment will keep hot mix asphalt heated and the truck carries all that is needed to repair or patch including hydraulic jackhammer to cut the holes. This machine would save on material and physical labor of the street crew, as we now have to do all the patching maintenance by hand. Currently, if there is asphalt that cannot be used in a day we have to dispose of it since there is no way to keep it hot. With the thermal lay patching truck we could leave any unused material in the machine and use it the next day. The cost of this thermal lay patching truck is \$14,000 and this is the first time I have seen one come up on the auction list.

I am requesting authorization to purchase the thermal lay patching truck for \$14,000 if my name is drawn for it. I would also like to request permission to purchase a ten wheel dump truck if one should come available at the auction and I am selected.

These two items would cost \$26,000 and there is \$15,800 left from the previous authorization. If I am allowed to go forward with the purchase I would need authorization of an additional \$10,200 to spend.

Thank you for your consideration

John Youngwirth

To: City Council  
From: Stephen Boorman, City Administrator  
Subject: Contract with Frederickson's Bonners Ferry Garbage.

Attached is the garbage contract previously provided for your review.

As previously provided, Mr. Woods has provided the following summary of the changes in the contract and they are as follows:

Attached is a revised contract that is a "merger" of the previously separate garbage and recycling contracts for Frederickson's. I kept all the verbiage as closely parallel to the earlier contracts as I could to hopefully make it easier to finalize this. I did add a couple of things, to wit, (1) a 3.5% increase annually if no rate meeting occurs in or around June each year; and (2) a bump in the existing 11.50 per resident to \$12.00 per resident; and (3) a clause stating Frederickson's is the only provider of garbage service for commercial businesses in town but no business has to use him and the rates are set per the existing rate terms and schedule (which has not changed since 2003 for commercial accounts -- something I found out today) that the city does not have to be a part of setting or establishing. We've talked about all of these in the past.

CITY GARBAGE CONTRACT – VERSION (10/1/2014)

## GARBAGE CONTRACT

THIS AGREEMENT (the "Contract") is made between THE CITY OF BONNERS FERRY, a political subdivision of the state of Idaho ("ENTITY") and FREDERICKSON'S BF GARBAGE, LLC, an Idaho limited liability company ("CONTRACTOR").

The parties agree as follows:

### 1. SCOPE OF WORK:

- a. ENTITY engages CONTRACTOR to perform the work associated with the collection of Garbage (defined below) for the residential and commercial premises in the ENTITY.
- b. ENTITY engages CONTRACTOR to perform the work associated with the collection of single stream (i.e., commingled) Recyclables within the ENTITY from residential premises.
- c. ENTITY engages CONTRACTOR to be the exclusive provider of Garbage service for Commercial businesses in the ENTITY for those Commercial businesses desiring to hire a third party to provide Garbage service for their business.

ALL WORK IS TO BE PERFORMED IN A PROFESSIONAL AND WORKMANSHIP LIKE MANNER.

### c. Definitions.

1. Construction and Demolition. Construction and/or demolition material does not come within the purview of this Contract.
2. Recyclables. Recyclables are those materials that are accepted by the Boundary County, Idaho landfill as single stream (i.e., commingled) materials that may be recycled (as opposed to buried in the landfill). Notwithstanding the above, however, Recyclables shall not in any event include glass, regardless of whether glass is accepted by the Boundary County, Idaho landfill unless the Boundary County, Idaho landfill accepts glass as a part of a single stream program. If CONTRACTOR or ENTITY learns that Boundary County, Idaho is no longer accepting a material for recycling or that a particular material may not be commingled with other materials that are being recycled, that material shall no longer be considered a Recyclable and the ENTITY agrees to notify residents to no longer place that material for recycling and CONTRACTOR shall only have an obligation to haul that material as Garbage under this Contract.
3. Garbage. Garbage means all putrescible and nonputrescible wastes, except sewage and body wastes, but excluding construction and

demolition wastes and recognizable industrial byproducts. Garbage shall also mean and include all household materials discarded by a resident of the ENTITY regardless of the materials' commercial or monetary value (unless excluded by the sentence above). Garbage specifically excludes Recyclables.

- d. Construction and Demolition. ENTITY agrees that CONTRACTOR shall have no obligation to haul construction and/or demolition material under this Contract.
- e. Hauling Terms; Limitations.
  - 1. CONTRACTOR and ENTITY agree that CONTRACTOR will be required to collect Garbage no more than one (1) time per week from each residence and, from each residence will be required to haul no more than three (3) 34 gallon cans (each weighing less than 60 pounds) of Garbage during each weekly collection. ENTITY agrees to notify CONTRACTOR if ENTITY's Garbage collection needs change and the parties agree to work with each other to reach an agreeable compromise if the ENTITY's Garbage collection needs increase. At such time – if ever – that the ENTITY desires to move to a larger, mandatory size, shape and/or color Garbage container, CONTRACTOR shall have the right to renegotiate this Contract if CONTRACTOR forms a good faith belief that the scope of work or cost of collection has or will materially increased.
  - 2. Recyclables. CONTRACTOR and ENTITY agree that CONTRACTOR will be required to collect Recyclables every other week (26 times per year) from each residence on such schedule as CONTRACTOR may determine is best after consultation and discussion with ENTITY officials. The parties agree that the collection date (e.g., Wednesdays versus Thursdays) and time of day may vary over the term of this Contract and that CONTRACTOR will provide notice to ENTITY of any proposed changes in collection times sufficiently in advance to allow ENTITY to notify the residents of the schedule changes.
- f. Other Services to Residents. Nothing herein shall be deemed as prohibiting CONTRACTOR from privately contracting with residents of the ENTITY during the term of this Contract for additional services (e.g., an extra can of Garbage collection per week, doorside collection for elderly persons, etc.)
- g. Commercial. Nothing herein shall be construed as requiring a Commercial business to hire CONTRACTOR to haul Garbage or Recyclables. Nothing herein shall be construed as requiring CONTRACTOR to haul Garbage or Recyclables from a Commercial business except in accordance with CONTRACTOR'S established pricing terms and conditions.
- h. Recyclable Containers. CONTRACTOR will supply each residence with one green colored 18 gallon bin. Each resident shall be required to use a container clearly identified as containing Recyclables. The supplied bins shall remain the property of CONTRACTOR at all times and ENTITY shall instruct each resident to leave the bins at the residence if resident relocates. Residents may place

Recyclables in containers supplied by the resident provided that all such additional resident-supplied containers are commercially available (i.e., available for purchase at a retail establishment) plastic or tin trash receptacles and are clearly marked as containing Recyclables. The ENTITY has no obligation to furnish a Recyclables container under this Contract to its residents. Residents will not be required to use the 18 gallon container provided resident by CONTRACTOR under this Contract. Maintenance and replacement of the 18 gallon bin is to be worked out between the CONTRACTOR and the resident.

2. PAYMENT: ENTITY and CONTRACTOR agree that the prevailing monthly rate per residence at the inception of this Contract is twelve dollars (\$12.00), which consists of eight dollars and fifty cents (\$8.50) for Garbage and three dollars and fifty cents (\$3.50) for Recyclables. ENTITY and CONTRACTOR agree that the prevailing rate will not be decreased during the term of this Contract. The parties may have a rate meeting on or after June 1 of each calendar year during the term of this Agreement for the purpose of reviewing the current rate and possible modification. If no rate hearing occurs, the amount set out above shall automatically adjust upward three and one-half percent (3.5%) each year, calculated by multiplying the rate effect for the previous period by 1.035. Subject to the above limitations, ENTITY agrees to pay CONTRACTOR for services rendered under this Contract the amount set by city council resolution per residence less \$0.25 that is used to offset the ENTITY's overhead such as the cost of billing, collections and write-offs. If there are multiple dwelling units at one residence, each dwelling unit that generates Garbage shall be billed by the ENTITY (e.g., a fourplex apartment consists of four dwelling units and ENTITY agrees to collect for each dwelling unit).

3. RIGHT OF CONTROL: ENTITY agrees that it will have no right to control or direct the details, manner, or means by which CONTRACTOR accomplishes the results of the services performed hereunder. CONTRACTOR has no obligation to work any particular hours or days or any particular number of hours or days. CONTRACTOR agrees, however, that his other contracts or services shall not interfere with the performance of his services under this Contract and that the Garbage will be collected on a weekly basis.

4. INDEPENDENT CONTRACTOR RELATIONSHIP: CONTRACTOR is an independent contractor and is not an employee, servant, agent, partner, or joint venturer of ENTITY. ENTITY shall determine the work to be done by CONTRACTOR, but CONTRACTOR shall determine the legal means by which it accomplishes the work specified by ENTITY.

5. FEDERAL STATE. AND LOCAL PAYROLL TAXES: Neither federal, state or local income taxes, nor payroll taxes of any kind shall be withheld and paid by ENTITY on behalf of CONTRACTOR or the employees of CONTRACTOR. CONTRACTOR shall not be treated as an employee with respect to the services performed hereunder for federal or state tax purposes. CONTRACTOR understands that CONTRACTOR is responsible to pay, according to law, CONTRACTOR's income tax. CONTRACTOR further understands that CONTRACTOR may be liable for self-employment (Social Security) tax to be paid by CONTRACTOR according to

law.

6. LICENSES AND LAW: CONTRACTOR represents that it posses the skill and experience necessary and all licenses required to perform the services under this Contract. CONTRACTOR further agrees to comply with all applicable laws in the performance of the services hereunder.

7. FRINGE BENEFITS: Because CONTRACTOR is engaged in its own independently established business, CONTRACTOR is not eligible for, and shall not participate in, any employee pension, health, or other fringe benefit plans of ENTITY.

8. WORKER'S COMPENSATION: CONTRACTOR shall maintain in full force and effect worker's compensation for CONTRACTOR and any agents, employees, and staff that the CONTRACTOR may employ, and provide proof to ENTITY of such coverage or that such worker's compensation insurance is not required under the circumstances.

9. EQUIPMENT, TOOLS, MATERIALS OR SUPPLIES: CONTRACTOR shall supply, at CONTRACTOR's sole expense, all equipment, tools, materials and/or supplies to accomplish the services to be provided herein.

10. EFFECTIVE DATE; TERM:

- a. This Contract shall be noticed between the parties for re-negotiation and/or term at least 90 days prior to the expiration of said Contract.
- b. Final approval consisting of new terms and conditions shall be completed no less than 30 days prior to expiration of the Contract.
- c. If for any reason that the negotiation and/or finalization of the renewal contract extends past the date of expiration, this Contract shall stay in full force and effect while both parties are continuing performance.
- d. Term. This Contract shall begin on December 1, 2014 and shall expire on November 30, 2020.
- e. Non-Appropriation. ENTITY is an Idaho Municipal Corporation which by law has a fiscal year commencing October 1st each year and ends September 30th the following calendar year. In the event the ENTITY shall not appropriate funds to pay the obligation falling under this Contract after September 30th during the term of this Contract then this Contract shall terminate and the CONTRACTOR shall be released from further duties under the Contract. If this Contract is terminated by reason of non-appropriation the ENTITY shall not enter into a contract with another contractor(s) to perform the duties provided for herein during the remaining term of this Contract. This will not however prohibit the continued collection of Garbage and Recyclables by the ENTITY through the use of its employees.

11. WARRANTY: CONTRACTOR warrants that all materials and goods supplied under

this Contract shall be of good merchantable quality and that all services will be performed in a good workmanlike manner. CONTRACTOR acknowledges that it will be liable for any breach of this warranty.

12. INDEMNIFICATION: CONTRACTOR agrees to indemnify, defend, and hold harmless ENTITY, and its officers, agents and employees, from and against any and all claims, losses, actions, or judgments for damages or injury to persons or property arising out of or in connection with the act and/or any performances or activities of CONTRACTOR, CONTRACTOR's agents, employees, or representatives under this Contract.

13. INSURANCE: CONTRACTOR agrees to obtain and keep in force during its acts under this Contract a comprehensive general liability insurance policy in the minimum amount of \$1,000,000 per occurrence and \$2,000,000 aggregate, which shall name and protect CONTRACTOR, all CONTRACTOR's employees, ENTITY, and its officers, agents and employees, from and against any and all claims, losses, actions, and judgments for damages or injury to persons or property arising out of or in connection with the CONTRACTOR's acts. CONTRACTOR shall provide proof of liability coverage as set forth above to ENTITY prior to commencing its performance as herein provided, and said require insurer to notify ENTITY ten (10) days prior to cancellation of said policy.

14. NONWAIVER: Failure of either party to exercise any of the rights under this Contract, or breach thereof, shall not be deemed to be a waiver of such right or a waiver of any subsequent breach.

15. CHOICE OF LAW: Any dispute under this Contract, or related to this Contract, shall be decided in accordance with the laws of the state of Idaho.

16. ENTIRE AGREEMENT: This is the entire Contract of the parties and can only be modified or amended in writing by the parties.

**To:** Mayor and City Council  
**From:** Kris Larson, Clerk/Treasurer  
**Date:** 10/16/2014  
**Re:** Business License Computer Program Module

---

Last year we changed our ordinance to require annual business license renewals, and our annual business license revenue increased from \$850 in fiscal year 2013 to \$3,190 in fiscal year 2014.

We are having a problem tracking the business licenses as we don't have a program for this. The business licensing module from Black Mountain will fit our needs. It will produce the licenses and delinquent letters and will record the information we need to keep track of while integrating with our current cash receipting and accounting programs.

The cost of the business licensing module is \$4,375 plus a conversion fee of \$1,095 and an annual renewal fee of \$875. The grand total would be \$6,345. It is an expense to the general fund that would pay for itself over the next few years. It would save many hours of time spent by the office girls manually tracking business license information. Please approve the purchase of this software.

If you have any questions please call me at 267-0351.

Thanks,

Kris

Expect as much from us as your community expects from you

**RE:** 2015 Flower Baskets

---

In September, we requested proposals from Moose Valley Farms and Sugarplum Floral Greenhouses for the 2015 flower baskets. We also received an unsolicited proposal from Plantfarm/Creach Greenhouse Inc. in Spokane Valley, WA. It included a slide show with samples of their work.

We asked the proposals be received by October 10, 2014, so your decision and approval could be made early enough to order plants for the baskets. We have proposals from Sugarplum-wholesale supplier Aspen Nursery and Plantfarm. We received notice by phone on October 14 from Moose Valley they are interested in consideration, with the proposal pending upon completion.

There were no changes to the amount of baskets (75) or their planting requirements in our request.

**Mayor's Proclamation**  
**Recognizing October 23, 2014**  
**As Breast Cancer Awareness, Early Detection Day**

**Whereas**, the sad fact is that one out of eight women will have breast cancer in their lifetime; and

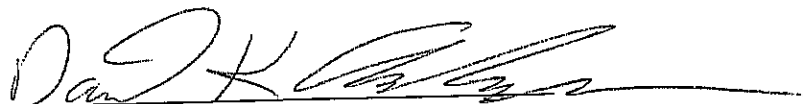

**Whereas**, early detection of breast cancer is one of the major factors in defeating cancer; and

**Whereas**, when breast cancer is detected early there is a marked increase in the chance of treating it successfully; and

**Whereas**, mammograms can sometimes detect a cancer two years earlier than physical exams; and

**Whereas**, we encourage women in our community to have this extremely important test performed;

**Now, therefore, in recognition of breast cancer awareness, I, David K. Anderson, Mayor of Bonners Ferry, Idaho, do hereby proclaim October 23, 2014 to be "Breast Cancer Awareness, Early Detection Day" in Bonners Ferry and urge all citizens to show support.**

  
David K. Anderson, Mayor
