CHAPTER 7 SPECIAL EVENTS

3-7-1: FINDINGS AND INTENT

- (A) The Bonners Ferry City Council finds that special events which take place in the City of Bonners Ferry which are offered to the general public or a substantial segment of the public have the potential to attract large gatherings of people which may cause adverse public health and safety conditions requiring municipal involvement and regulation to ensure adequate protection of public health and safety.
- (B) It is the intent of the Bonners Ferry City Council that this chapter be enacted to protect and promote the health, welfare, and safety of citizens and visitors to the City of Bonners Ferry and to regulate special events for the benefit and protection of the public health and safety. Special event applicants, promoters, and sponsors whose special events require the use of extraordinary city resources as a result of anticipated attendance, heightened security concerns, or other logistical situations should pay for those extraordinary resources in order to alleviate the cost to the public taxpayer.

3-7-2: DEFINITIONS

As used in this chapter:

1. **APPLICANT, PROMOTER, OR SPONSOR:** The person making an application for a permit to plan and operate a special event within the City of Bonners Ferry. As used herein, the applicant, promoter, and sponsor may be used interchangeable and the requirements of this chapter and any administrative regulations shall be enforced against the applicant, promotor, or sponsor.
2. **EXTRAORDINARY RESOURCES:** Government, public health and safety personnel, equipment, or other resources which would not, in the absence of the special event, be required or expended.
3. **INSURANCE:** A general liability policy for each permitted event in the amount designated within this chapter written by an insurer authorized by the State of Idaho to write insurance policies and kept continuously in force for the full term of the permit.
4. **PERMITTEE:** A person having a city issued permit in full force and effect issued hereunder to plan and operate a special event within the City of Bonners Ferry.
5. **PERSON:** Any person, firm, partnership, association, corporation, company, or organization of any kind.
6. **PROJECTED ATTENDEES AND PARTICIPANTS:** The estimated number of persons who will attend or participate, are reasonably likely to attend or participate, or are expected to attend or participate in a special event. The

number estimate should consider the type and format of the special event, the size and location of the event, any prior events which were similar, including the special event history itself if it is an annual event or part of a series of gatherings or events, and the entertainment, if any, planned.

7. SIDEWALK: Any area or way set aside or open to the general public for purposes of pedestrian traffic, whether or not it is paved.
8. SPECIAL EVENT: A pre-planned gathering, event, or series of related consecutive events of an entertainment, cultural, recreational, educational, political, religious, or sporting nature, or any other nature that:
 - a. Is expected to draw fifty (50) or more persons at any session as participants or spectators;
 - b. Impacts city streets, sidewalks, parks, common areas, or utilizes city resources;
 - c. Requires special City services beyond normal functions including, but not limited to: street closure, increased police or fire protection; or
 - d. Intends to broadcast amplified sound or generate unusual noise.

Examples of special events include, by way of illustration and without limitation the following types of events: concerts, dances, assemblages, processions, parades, circuses, fairs, festivals, block parties, community events, mass participation sports such as running events, bicycle races, or sports tournaments, or other organized activity conducted for a common and collective use.

9. STREET: Any place or way set aside or open to the general public for purposes of vehicular traffic including any berm or shoulder, right of way, or median strip thereof.

3-7-3: SPECIAL EVENT PERMIT REQUIRED:

1. No person shall stage, promote, or conduct any special event, as defined above, in the city without first obtaining a special event permit approved by the Chief of Police and a vote of the City Council.
2. The requirements for permitting under this chapter shall not apply to:
 - a. Funeral processions,

 - c. Government sponsored functions;
 - d. Venues that are permitted to hold such activities by the property's zoning or an approved special use permit;
 - e. Private functions held on private property; and
 - f. School District functions.

In determining whether an event is exempt, no consideration shall be given to the content of any constitutionally protected expression connected with the planned activity. No permit shall be required under this chapter, nor any condition imposed on any permit if requiring so would violate the rights protected by the Constitution of the United States or by the Constitution of the State of Idaho.

3-7-4: PERMIT APPLICATION, FEES, INSURANCE AND INDEMNIFICATION:

1. All applicants for a special event permit shall submit an application for a special event permit to the City Clerk no later than thirty (30) days prior to the commencement of the special event.
2. The application for a special event permit shall require and contain information as determined by application approved by the City Council and the Chief of Police.
3. The council shall establish by resolution, a non-refundable fee amount to be submitted with a permit application, the amount of which shall cover the expenses incident to processing the application. This may include an additional fee for applications not submitted in a timely manner as determined by this chapter.
4. All applicants shall submit, with the application, and maintain at least until the conclusion of the event, a comprehensive general liability insurance policy in the amount of one million dollars (\$1,000,000), naming the City of Bonners Ferry as a co-insured party. 5. A cleanup fee, which shall be established by resolution of the City Council shall be required at the time of application, all, a portion of, or none of which shall be returned upon recommendation of the Chief of Police after his inspection of the premises after the event has concluded and the premises have been vacated. Cleanup shall include removal of all signs and advertising materials posted on public property to advertise the event.
6. Upon application to the council and good cause shown, the council may, reduce or waive part or all of the financial requirements for issuance of a permit where the proceeds of the performance or parade are to be donated to a charitable or community organization or for a purpose to benefit the residents, business, or purpose of the City.

3-7-5: ISSUANCE OF PERMIT, EXTRAORDINARY RESOURCES; CONDITIONS OF APPROVAL; GROUNDS FOR DENIAL

If additional information is required by the chief of police the applicant shall have five (5) business days to submit all requested information.
2. Special event applicants, promoters, or sponsors whose special events require the use of extraordinary city resources as a result of their anticipated attendance or heightened security concerns shall be required to pay for those resources as determined by the chief of police. Full recovery for extraordinary expenses shall be required no later than sixty (60) days following the conclusion of the event.
3. The Chief of Police shall seek advice of other relevant staff members when the review and coordination of a specific event application is deemed necessary including the Street Department, Clerk's Office, and Fire Department.  - c. In the opinion of the chief of police, the proposed event fails to provide a safe and secure venue or puts at risk the safety and well-being of citizens in the community, or if the applicant fails to gain required licenses, permits, or permissions;
 - d. The special event will substantially interfere or conflict with any other special event for which a permit has already been granted or activity already scheduled with the provision of public safety or other city services in support of such other previously scheduled event.
 - e. The special event will:

 - ii. Close streets so as to cause unsafe conditions for the public;
 - iii. As a result of the expected attendance at the event, the lawful capacity of the facility or area will be exceeded;
 - iv. The parking available at the facility will be inadequate to accommodate the expected attendance; or
 - v. The event coordinator, applicant, promotor, or sponsor has failed to pay for a previously permitted event.

3-7-6: REVOCATION OR SUSPENSION OF A PERMIT

The Chief of Police or his designee may summarily suspend or revoke a special event permit issued under this chapter for violation by the applicant of federal, state, or local laws or ordinances during the event, for violations of conditions of the permit, or for making any material false representations in an application for a permit. In deciding whether to suspend or revoke a permit, the Chief of Police or his designee may consult with other members of city staff. In the event of a suspension or revocation, the appeal provisions above shall apply commencing upon the date of the suspension or revocation notice.
