

Mayor David Sims called the special council meeting of May 10, 2016 to order at 12:03 p.m. at City Hall. Present for the meeting were Mayor Sims, Council President Rick Alonzo, Council Members Connie Wells, Ron Smith, and Adam Arthur, Clerk Kris Larson, City Attorney Andrakay Pluid, and Fire Chief Pat Warkentin.

The purpose of the special council meeting was to discuss the sale of the 1994 Navstar fire engine.

Fire Chief Pat Warkentin told the Fire Chief of Stevens County we were taking sealed bids for the sale of the 1994 Navstar fire engine. He received one bid from Stevens County Fire District 2, and the bid was for \$35,500 with a note from them that said this was all the funding they had, as it was from the federal government for fighting the Carpenter Wildland Fire last summer. The other possible bidder is no longer with the mine in Washington according to Pat.

Rick Alonzo moved to accept the bid from Stevens County Fire District 2 for \$35,500 for the sale of our fire engine. Ron Smith seconded the motion. The motion passed – Ron Smith “yes”, Rick Alonzo “yes”, Connie Wells “yes”, Adam Arthur “yes”.

The meeting adjourned at 12:08 p.m.

David Sims, Mayor
