Subject: Job reclassification.

This memo is to recommend the reclassification of the job duties of Steve Neumeyer. Over his tenure at the City his skills and duties have changed significantly. Attached is a job description that we would propose for Steve. This description largely encapsulates what he is currently doing for the City in addition to serving as the City’s electrician. This would be in addition to his job description of City Electrician.

In looking at the comparable compensation in the electric utility industry for the skills and duties, it is our recommendation that his pay be changed to lineman scale. Further, it is our recommendation that he report directly to the Line Department Superintendent. Please note that we would recommend that this be contingent on Steve obtaining a Class A CDL.

Subject: Substation Breaker Purchase.

Several weeks ago the breaker in the North Bench Substation failed. The lead time for a breaker is 20 weeks. Kootenai Electric Cooperative (KEC) has agreed to sell us their spare breaker if we pay the actual cost for a replacement. The cost for a Siemens breaker is $15,319 and an ABB breaker is above $17,000.

Due to the recent problems we have had with the breakers in the Moyie Substation we would recommend replacing these 1972 breakers with the order of the breaker for KEC. Therefore the total order would be $45,957.

PROPOSAL FOR ADDITIONAL DAYS OFF FOR EMPLOYEES IN LIEU OF PAY INCREASE

Since there is no money in the budget for a COLA. I would propose the following option for fiscal year 2013.

For each holiday that falls on a Friday or Monday each employee would receive an additional day off. This would give them a 4 day week end.

For example if the holiday falls on a Monday half of a department would take Friday off and the other half would take Tuesday off. If it would not create a problem the whole department could take off at once. Each Department head would have to decide what is best for their department and the public.

I would like to give all employees the Friday after Thanksgiving off.

Since Christmas and New Years are on Tuesday I would like to give Monday Christmas eve and Monday New Years eve off.

Independence Day is on a Thursday this year so I would like to give Friday the 5th off.

I realize this won't work for any department that has to work the holiday i.e. the Police Department. They would have to work it out so each employee would be given an extra day off when scheduling permits.
