

Mayor Kerby called the March 1, 2005 regularly scheduled council meeting to order at 7:00 p.m. Present for the meeting were Mayor Darrell Kerby, Council President Mick Mellett, Council Members Russ Docherty, Leslie Falcon, and Jim Burkholder, Clerk Kris Larson, City Administrator Stephen Boorman, Police Chief Dave Kramer, and Fire Chief Larry Owsley. Also present was Dave Gray.

Mayor Kerby said he attended the Bonner County Economic Development meeting in Sandpoint. Their group is totally private and is funded by the businesses. There is no government involvement. They have had great success bringing new businesses to the area. One of their concerns is that the average income has dropped. The real estate profession from Bonner County and Boundary County have joined together to advertise. Bonner County EDC has been contemplating a partnership with the Boundary County EDC to attract new industry.

Attorney Tim Wilson joined the meeting at 7:08 p.m.

Dave Kramer gave the police report. The City has borrowed a speed trailer from the City of Coeur d'Alene and it is being used at problem areas around the community. We will have the use of it for two weeks. The past two weeks have been active and there have been several drug arrests made. A false report was filed in November by a juvenile and this case has been solved. Dave has submitted a grant for a speed trailer.

Larry Owsley said DEQ has asked the fire department to do a follow up on a local service station but no problems were found. The FEMA grant has been completed for 2005 and it requires a five percent match from the City on a fire truck.

Russ Docherty asked if all the burning has been done by the fire department on the rim property. Larry Owsley said it is not complete and as soon as the weather changes with the wind in the correct direction the piles will be burned.

Larry has also received requests to burn private property on the northside where the weeds have gotten quite high. Mayor Kerby cautioned that legal authority should be given before this task is taken on. Larry feels it would be better to control the situation and burn it. Mayor Kerby said if the problem is a private issue there are mechanisms to follow to hold the property owners responsible. Mayor Kerby told Larry to review these issues with Attorney Tim Wilson.

Russ Docherty said it looks like there are piles of logs along the railroad tracks in the area that was cleaned up by the Fire Safe Program. Larry Owsley said he thinks it is debris that was left by the contractors. Stephen Boorman said it may be tops left by the processor.

Jim Burkholder said the property on the northside above the sidewalk but below the property lines is state property and it is very grown over. Mayor Kerby said we should work with the state to get this taken care of.

Jim Burkholder moved to approve the consent agenda in its entirety. Leslie Falcon seconded the motion. The motion passed, all in favor. The consent agenda contained the following: roll call; approval of March 1, 2005 accounts payable; approval of Treasurer's Report; approval of February 15, 2005 council meeting minutes; approval of February 22, 2005 special council meeting minutes; approval for two employees to attend Idaho Paving Materials Conference in Post Falls on March 8, 2005; approval for Dean Satchwell to attend the Law Enforcement Information and Records Management Conference in Post Falls on May 10-11, 2005.

The group discussed zoning near the hospital.

Jim Burkholder moved to authorize the Mayor to sign the Golf Course Improvement Grant. Mick Mellett seconded the motion for discussion. The city costs will be \$21,000 for the ADA compliant work to be done. The work will be done with city labor according to Stephen Boorman. The motion passed – Mick Mellett “yes”, Russ Docherty “yes”, Leslie Falcon “yes”, Jim Burkholder “yes”.

Jim Burkholder moved to have the first reading of Ordinance 491 Authorizing the Issuance and Sale of a Single Local Improvement District 2002-1 Bond. Russ Docherty seconded the motion. The motion passed, all in favor. Clerk Kris Larson read Ordinance 491 in its entirety.

Mick Mellett moved to have the second and third readings of Ordinance 491 by title only. Leslie Falcon seconded the motion. The motion passed, all in favor. Clerk Kris Larson read Ordinance 491 by title only twice.

Jim Burkholder moved to adopt Ordinance 491. Mick Mellett seconded the motion. The motion passed – Mick Mellett “yes”, Russ Docherty “yes”, Leslie Falcon “yes”, Jim Burkholder “yes”. Ordinance 491 reads as follows:

In the event of transfer, any subsequent owner will be required to acknowledge the restrictions on the transfer of the Bond and it will be the Registered Owner's responsibility to have any prospective transferee execute a Certificate substantially in the form attached hereto as Exhibit "B" and incorporated herein by reference, and to verify that any prospective purchaser meets all of the requirements then in place to have and hold the Bond. The Bond Registrar shall not be obligated to transfer or exchange the Bond during the 15 days preceding any interest payment or principal payment date.

Section 10: BOND FUND AND INTEREST FUND

All moneys constituting payment of interest on said unpaid installments of assessments for LID No. 2002-1 are to be deposited into a special fund, designated "City of Bonners Ferry Local Improvement District No. 2002-1 Interest Fund" (the "Interest Fund"), and shall be used and applied for the purpose of paying the interest on the Bond herein authorized and for no other purpose whatsoever, and as security for such payment the Interest Fund is hereby pledged.

Interest received on such funds to be deposited or invested shall be placed to the credit of the fund from which it was earned.

In the event the Bond Fund and Interest Fund should be insufficient to meet accruing payments of principal and interest on both the Bond and the Bond, the City agrees that the moneys on hand in the Bond Fund and Interest Fund shall be used first to pay the interest due and payable on the Bond in full, and then, if money is remaining after the payment of the interest owed in full, to pay the principal amount then due and payable on the Bond.

Section 11: GUARANTEE FUND

The City Treasurer is hereby authorized and empowered if the Council deems it necessary, to receive and collect any and all of the receipts of municipal taxes and charges lawfully levied and collected pursuant to Section 50-1762 Idaho Code, as amended, to place said moneys in the Guarantee Fund, heretofore created, to disburse therefrom said moneys for the payment of the principal of and interest on the Bonds as provided, if necessary to redeem said Bonds at maturity, both principal and interest, and to otherwise maintain and manage said funds in the manner heretofore specified.

Section 12: LOST, STOLEN, MUTILATED OR DESTROYED BOND

In case the Bond shall be lost, stolen, mutilated or destroyed, the Bond Registrar may authenticate and deliver a new Bond of like date, denomination, number, tenor and effect to the Registered Owner thereof upon the Registered Owner's paying the expenses and charges of the City in connection therewith and upon his filing with the City evidence satisfactory to the City that such Bond was actually lost, stolen or destroyed and of this ownership thereof, and upon furnishing the City with indemnity satisfactory to the City.

Section 13: TAX COVENANTS; SPECIAL DESIGNATION

A. Tax Covenants: The City hereby covenants that it will not make any use of the proceeds of sale of the Bond or any other funds of the City which may be deemed to be proceeds of such Bond pursuant to Section 148 of the Code which will cause the Bond to be an "arbitrage Bond" within the meaning of said section and said regulations. The City will comply with the requirements of Section 148 of the Code (or any successor provision thereof applicable to the Bond) throughout the term of the Bond. The City hereby further covenants that it will not take any action or permit any action to be taken that would cause the Bond to constitute a "private activity bond" under Section 141 of the Code.

B. Special Designation: The Bond is hereby designated as a "Qualified Tax-Exempt Obligation" for purposes of Section 265(b) of the Code. The City does not expect to issue tax-exempt obligations in an aggregate principal amount in excess of \$10,000,000 during the 2005 calendar year.

Section 14: ONGOING DISCLOSURE

The City is exempt from the ongoing disclosure requirements of Securities and Exchange Commission Rule 15c2-12 by reason of the exemption set forth in subsection (d)(i) of that rule with respect to the issuance of securities in authorized denominations of \$100,000 or more, and since the size of the issue is less than \$1,000,000.

Section 15: VALIDITY OF ISSUANCE

The Bond is issued pursuant to the Local Improvement District Act, being Idaho Code Section 50-1701 through 50-1771, inclusive. This recital is conclusive evidence of the validity of the Bond and the regularity of its issuance.

Section 16: DETERMINATION

The City Council does hereby find, determine, and declare that it was essential to the public interest, welfare, and convenience of the City and the inhabitants thereof to undertake and acquire the Project. Said Project will be paid for in part by the issuance of the Bond in conformity with the Idaho Code, as set forth herein.

Section 17: SEVERABILITY

If any one or more of the covenants or agreements provided in this Ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenants or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of the Ordinance or of the Bond.

Section 18: REPEALER

All prior resolutions or ordinances inconsistent herewith are hereby repealed and shall, to the extent of such inconsistency, have no further force or effect.

Section 19: PUBLICATION

Pursuant to Section 50-1727, Idaho Code, this Ordinance, or a summary thereof in compliance with Section 31-715A, Idaho Code, shall be published once in the official newspaper of the City. Attached hereto as Exhibit "C" is a summary of this Ordinance, which is hereby approved for publication.

Any contest or proceeding to question the validity or legality of this Ordinance, or of any ordinance, resolution, or proceedings heretofore taken with respect to LID No. 2002-1, or of the Bond authorized hereby, shall be brought in court by any person for any cause whatsoever after the expiration of thirty (30) days from the publication of this Ordinance, and after such time the

validity, legality and regularity of this Ordinance and any ordinance, resolution, or proceedings with respect to LID No. 2002-1, or the Bond authorized hereby, shall be conclusively presumed.
