Re: Planning update

Land Use Activity:
The request for de-annexation of lands along Waterfront Lane at the most easterly edge of the Bonners Ferry city limits has been submitted to the City for processing. This item was brought to City Council’s attention at the July 16th regular meeting. Staff will review the application and obtain comments from affected agencies prior to scheduling to City Council for formal action.

The City received two “voluntary plats” for review and processing. One is the Riverside Auto/Hiatt Family reconfiguration of existing platted lots and unplatted parcels to form three lots. The second is the plat to complete the Gerald Higgs annexation, which combines newly acquired acreage with a lot within Marx 3rd addition to form one new lot. Since city subdivision law does not require boundary line adjustments be replatted (filed as subdivision lots), these are considered voluntary. City and county staff have reviewed the plats for consistency with Idaho Code and platting practices. The plats will eventually be presented to City Council to authorize the signatures of the mayor and clerk.

Planning and Zoning Commission:
The Commission reviewed the directives from the City Council’s July 16th meeting regarding the urban farming/livestock ordinance. Based on the discussion, the Commission directed planning staff to prepare an ordinance to carry out the Council decision and prepare the item for a September 19th public hearing. The draft ordinance is attached, and contains language to:

- Add “community gardens” as a use in all zones;
- Amend “domestic livestock” definition to remove allowance for “other grazing animals,” swine, rabbits, poultry, and domestic birds and clarify “female chickens only,” all subject to zoning standards and only allowed in the Residential B zoning district;
- Remove from the Residential B standards a confusing reference to health district or “commission” approval of “housekeeping” measures and add a reference to Animal Control standards at city code 5-3A-6;
- Prohibit livestock feeding operations (such as stockyards);
- Prohibit the keeping of “intact” male livestock, bulls, stallions, rams, buck or roosters;
- Increase the acreage from ½ acre to 1 acre for keeping livestock in Residential B and reduce the allowed number of animals based on respective animal units;
- Cap the number of chickens at 12 in the B zone, regardless of animal units
- Remove all previous draft amendment allowances for livestock in A and AA zone.
Parking standards:
At the last meeting, the Commission reviewed the current city parking standards, discussed constraints on downtown business improvements and reconstruction projects, such as the recent Catholic Church building. The group reviewed the standards from five other Idaho cities and American Planning Association suggested parking standards. They found Bonners Ferry’s church parking standards were up to 2 to 2½ times higher than the standards of the sample cities. They also examined the Sandpoint parking standards change, which eliminated the parking standards in the downtown core. The Commission will continue discussion on potential adjustments to parking standards at the next meeting, which may include:

- Reductions or elimination of parking minimums in the Downtown commercial zone and whether that is a logical move based on available parking and potential commercial floor space;
- Deductions for non-public parts of the building, such as storage areas, mechanical rooms, etc.
- Adjustments to minimum number of parking stalls where the city requirements are higher than sample and suggested numbers, such as dining rooms, multi-family housing, churches;
- Adjustments to multi-family parking based on bedroom numbers;
- Shared and public parking options.

Training:
The Commission reviewed conflict of interest and ethics in government standards of Idaho Code, and how these standards affect their participation on the Commission.

Valerie is happy that the sexual orientation and gender identity are included in the statement. Adam likes it, but it feels generic. Mayor Sims said he talked to Mike to make sure since this building is in a residential area not to make it just a concrete block building. THIS AGREEMENT is entered into on this _____ day of _______________, 2019, by
and between the CITY OF BONNERS FERRY, (hereinafter "CITY"), a municipal
corporation of the State of Idaho and ANDRAKAY J. PLUID, (hereinafter
"ATTORNEY"), regarding general legal representation.

The parties agree as follows:

1. ATTORNEY SERVICES:
   a. CITY MEETINGS: ATTORNEY agrees to attend a minimum of twenty (20)
      City Council meetings in each calendar year. If ATTORNEY is unable to
      attend a regularly scheduled meeting she shall make all reasonable efforts
      to provide Council with a minimum of twenty-four (24) hours advance
      notice.
   b. OTHER MEETINGS: ATTORNEY agrees to attend other evening meetings

      Council. CITY shall make all reasonable efforts to provide at least forty-
      eight (48) hours advance notice prior to said meetings and ATTORNEY
      shall make all reasonable efforts to attend. If ATTORNEY cannot attend
      she will inform CITY promptly.
   c. SCOPE OF REPRESENTATION (CRIMINAL): ATTORNEY and CITY
      agree that representation involves the prosecution and enforcement of the
      laws of the State of Idaho and Bonners Ferry City Code which are no
      greater than a misdemeanor. All expenses incurred relating to the
      prosecution of cases for the CITY including, but not limited to, expert
      witnesses, extraordinary materials, and any outside opinions or assistance
      will be paid by the CITY. Approval of City Council shall be given prior to
      ATTORNEY incurring extraordinary expenses.
   d. SCOPE OF REPRESENTATION (CIVIL): ATTORNEY shall review all
      documents of a potentially legal nature and prepare such documents as
      requested. Documents contemplated may include, but is not limited to,
      contracts, agreements, bid specifications, resolutions, ordinances, and
      ordinance summaries, as requested by the CITY. CITY agrees to give
      ATTORNEY reasonable notice on drafting requests and review requests.
   e. LIMITATIONS ON REPRESENTATION: ATTORNEY and CITY agree that
      the representation is limited to general advice and document review or
      drafting regarding civil matters relating to the municipal matters of the
      CITY and to responsibilities as the prosecuting attorney for the CITY.
      Representation does not include civil actions initiated or defended by the
      CITY in any court. Both parties agree that any additional representation
      necessitates the hiring of outside counsel or an amendment to this
agreement in writing between the ATTORNEY and CITY. It shall be in the sole discretion of the ATTORNEY to inform and advise the CITY that the scope of representation has been reached and that outside counsel or an amendment to this agreement is required. ATTORNEY shall make this determination in good faith.

f. QUALITY OF SERVICES: ATTORNEY shall make best efforts to provide the quality legal services necessary to meet the CITY’S needs. ATTORNEY will perform all duties assumed under this agreement in accord with the standards of professional conduct in the legal profession. In accordance with such standards, time is of the essence in performance of the terms of this agreement. ATTORNEY shall maintain good standing with the Idaho State Bar Association and keep her legal license current and valid at all times while representing the CITY.

2. NON-EXCLUSIVITY: This agreement shall not be deemed exclusive; the CITY may hire additional legal counsel when specific expertise is required and ATTORNEY is free to represent other clients, providing that other representation does not ethically or legally conflict with representation of the CITY. ATTORNEY may maintain another office location outside of City Hall for the purpose of meeting with and serving other clients.

3. COMPENSATION AND TERMS:

a. EMPLOYMENT STATUS: ATTORNEY shall be classified as an employee of the CITY. Standard federal and state employee payroll taxes shall be withheld and paid by the CITY on behalf of the ATTORNEY.

e. ADMINISTRATIVE SUPPORT: CITY shall provide ATTORNEY with paralegal/secretarial support as practicable. CITY shall cover costs of all supplies used in the normal operation of this contract including office supplies or materials, telephone, internet and fax services, and computer.

f. CONTINUING LEGAL EDUCATION AND TRAVEL: The CITY agrees to cover the cost of or reimburse ATTORNEY for the cost of travel and meal
expenses, continuing legal education, or special workshops approved in advance by the CITY and in accordance with the policies of the CITY.

g. **TIME COMMITMENT:** ATTORNEY and the CITY agree that the compensation package described herein denotes a time commitment by ATTORNEY of approximately one thousand and forty (1,040) hours yearly or roughly twenty (20) hours per week.

h. **AVAILABILITY:** ATTORNEY shall be available by telephone and/or in person to promptly advise CITY staff, personnel, and officials. ATTORNEY will make reasonable efforts to establish a schedule for time spent within her office at City Hall on a weekly basis. i. **RECORD KEEPING:** ATTORNEY shall maintain records regarding time spent on CITY matters and shall provide said accounting to CITY upon request.

4. **INSURANCE:** CITY agrees to insure against any claims made against ATTORNEY for services provided within the course of her employment or for services performed under this contract. 5. **TERM OF CONTRACT:**

   a. **TERM:** The term of this Agreement shall be one year from the date of signing by both parties and shall automatically renew and continue on the same terms and conditions unless modified or terminated.

   b. **EARLY TERMINATION:** Either party may terminate the Agreement with thirty (30) days written notice. Termination by the CITY shall require a majority vote of City Council pursuant to Bonners Ferry City Code § 1-7-3.

   c. **CONTINUING TERMS:** At the completion of the term stated in this Agreement if a new agreement has not been renegotiated between the CITY and ATTORNEY, the terms of this Agreement shall remain in effect until such time as a new agreement is reached.

   d. **RENEGOTIATION:** Each year the Mayor and ATTORNEY shall engage in renegotiation of this Agreement before such time as the upcoming yearly budget is established and published according to law. If a satisfactory agreement cannot be reached the above provision shall apply until such time as a new agreement is reached. If a new agreement satisfactory to both parties cannot be reached by October 1st of the year, the ATTORNEY may withdraw from representation of the CITY.

   e. **WITHDRAWAL:** ATTORNEY may withdraw with CITY’S consent or for good cause from any legal representation. Good cause includes: CITY’S material breach of this agreement, CITY’S refusal to cooperate with or
follow attorney's advice in any circumstance or situation that would render ATTORNEY’S continuing representation unethical or unlawful under the Idaho Rules of Professional Conduct.

6. **PUBLIC OFFICIAL:** ATTORNEY shall be a public official functioning as the City Attorney.

7. **CHOICE OF LAW:** Any dispute under this Agreement or related to this Agreement shall be decided in accordance with the laws of the State of Idaho.

8. **DISPUTE RESOLUTION:** ATTORNEY agrees that she will not bring suit against the CITY concerning events arising out of the performance of this Agreement except for non-payment of compensation as stipulated to in this Agreement or for intentional wrongful conduct which harms the ATTORNEY. The CITY’S right to recover against the ATTORNEY shall be limited to causes of action related to intentional conduct adverse to CITY’S interest or to ATTORNEY’S failure to perform duties assumed under this Agreement.

9. **NON-WAIVER:** Failure of either party to exercise any of the rights under this Agreement, or breach thereof, shall not be deemed to be a waiver of such right or a waiver of any subsequent breach.

10. **ENTIRE AGREEMENT:** This is the entire Agreement of the parties and can only be modified or amended in writing by both parties.

11. **SEVERABILITY:** If any part of this Agreement is held unenforceable, the remaining provisions of the Agreement shall nevertheless remain in full force and effect.

IN WITNESS THEREOF, the CITY, by and through its officers, and the ATTORNEY have set their respective hands on this Agreement the day and year first set forth above.

RE: Datatel Maintenance/Service Plan

Datatel was the firm hired by the City to design, program and install our new phone system. Once installed the phone system came with a 1-year service plan that has recently expired. It is important to keep a service plan with Datatel for technical assistance as well as day-to-day assistance.

Datatel currently offers two service plan options which are summarized below:

Option A – Annual Maintenance Plan $1,895.00 or Quarterly payments of $474.00

The Maintenance Plan covers all labor travel and materials for remedial maintenance on your complete system Monday - Friday 8 to 5 pm including unlimited free programming (see attached summary sheet).

If your system should go down which houses the voice mail we will replace both if needed under the plan.

If you have a telephone that is bad we will come over and bring you another one-get you back up and going and it is all included in your plan.

If you have a dead line or static we will come over assess the issue, if it is your dial tone provider we will call them to come over and fix the issue or if it is a module in your switch that is bad we will replace it under your maintenance plan.

We are the only telecommunications Company in the Valley that offers discounts on labor and travel for billable orders such as run cable, add jacks, purchase additional telephones, connect telephone lines; connect fax machines.

Option B – Remote Support Plan - $895.00 and Quarterly plan for $224.00.

This Remote Support plan would include Unlimited Free Programming Changes and Mailing you a good working phone with a no charge return shipping label so you could mail us back the bad phone after you received a good one.
