**TO:** Mayor and City Council

**FROM:** Lisa Ailport, City Administrator

**DATE:** January 13, 2021

**RE:** Reduction of Workforce- Mapper/Meter Reading Position

---

The Mapper / Meter reader position was created in June of 2017 by the former Mayor and Administrator. Since the creation of the position, it has not produced the desired results expected. Therefore, it is my recommendation that we move in a different direction with city mapping and meter reading needs.

I would recommend that Council authorize the removal of the position and direct staff to bring forward a plan on how to address our future needs in these areas.

Please let me know if you have any questions.
